

**URGENT – PLEASE RESPOND AS QUICKLY AS POSSIBLE**

## **KEY WORKERS' FORM**

Please only fill in this section if you think you may be eligible for childcare as of Monday 23<sup>rd</sup> March. **We must emphasise that the government guidance also states that “many parents working in these critical sectors may be able to ensure their child is kept at home. Every child who can be safely cared for at home should be.”**

**Please read the Government definition of a ‘key worker’ (online and attached).** Key ‘jobs’ have been organised into several categories including:

- Health and social care
- Education and childcare
- Key Public services
- Food/ food distribution
- Public safety and national security
- Utilities, communications and financial services

Current government guidance regarding eligibility for the school care as of Monday 23<sup>rd</sup> March 2020 is that children with at least one parent or carer who are identified as key worker by the government can potentially send their children to school if required. **There is no obligation to do so.** If both parents/ carers are or a single parent is a ‘key worker’ this will take priority.

Additional copies are available from the main office. Please completed and return to school for processing.
